

Robank

Golden Years

Robank Feeds

- Robank's Golden Years is a high fibre, high fat; cereal grain free complete feed specifically formulated for all types of horses especially those older horses requiring a grain free feed.
- Robank's Golden Years is formulated using Robank's Signature Balancer Pellets, these pellets utilise the technology of Bio-plex minerals, digestive aids and high quality protein sources, and combined with quality ingredients it makes a feed that is highly palatable and digestible to the horse.
- Robank Golden Years is grain free and also utilises beet pulp (super fibre) as an energy source, so is suitable for those horses that require a cooler energy feed.
- Robank Golden Years can be fed on its own as it has a high fibre content or hay and chaff may be added if desired. In addition the combination of the chaff and pelleted formulation makes this feed suitable for those horses that may have dental issues.

KEY FEATURES:

- **Convenient formulation, no need to mix or add other feeds.**
- **High in fibre, utilizing the super fibre beet pulp for a fermentable energy source, can be fed on its own or with hay or chaff if desired.**
- **Contains Robank's Custom Balancer Pellet – providing high quality proteins, Bioplex® minerals, organic selenium and digestive aids Bio-Mos® and Yea-Sacc® (for improved fibre digestion and immune function).**
- **The pelleted formulation makes Golden Years suitable for the aged horse that may suffer dental problems.**
- **Contains de-oderase a natural ammonia binder coming from the Yucca plant, assists in lowering harmful ammonia levels and helps improve horse health.**

INGREDIENTS:

Relax Equine Pellets, Lucerne Chaff, Oaten Chaff, Beet Pulp, Robank Balancer Pellet (vegetable protein meals, Bioplex® minerals, organic selenium, vitamins, digestive aids) Molafos Gold, Soy oil, De-oderase.
